Bowling Green, KY 42101-11024

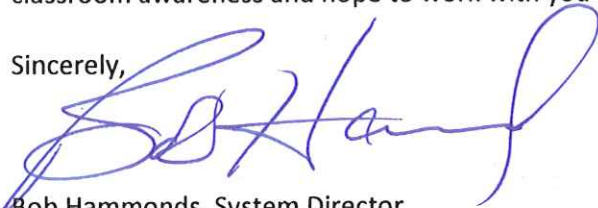

Brian,

On behalf of the KCTCS Safety Committee, and all the students, faculty and staff of the Kentucky Community and Technical College System (KCTCS), thank you for sharing your valuable insight into campus safety with us at the KCTCS Safety Conference on July 20th, 2010. The information you provided will help ensure a safe and secure learning environment for the over 100,000 students enrolled in the 16 KCTCS colleges on 68 campuses.

The information you provided was relevant and timely to the theme of this year's conference – *Crisis in the Classroom*. I am sure each of the colleges in the KCTCS system is better prepared for classroom situations because of your presentation.

Everyone indicated that they had learned new and valuable information on the evaluations. All reviews and comments about your session were positive. We truly appreciate you and your valuable work with classroom awareness and hope to work with you in the future.

Sincerely,

Bob Hammonds, System Director
Crisis Management, Environmental Health and Safety
And Chair, KCTCS Safety Conference Committee
